

School Outings!

Dear Parents and Carers,

As part of our exciting days at Discovery, we would like to take the children out in small groups to local attractions, such as the Gruffalo Trail, Wat Tyler Park, Hadleigh Park, the Beach, the vets, the police station, the Library and many more fun places of interest! There will always be 1 adult for every 2 children to ensure their safety at all times.

For outings requiring transport, the children will be taken in our car/van both are insured for school business purpose and fully fitted with age/height appropriate car seats for every child.

Sometimes the weather can be unpredictable and therefore we will always inform parents no later than the day before the child's next nursery/pre-school session, of our intention to take them on an outing during their next session. We will inform you of where we are going and with whom they are going with. All staff that attend are fully qualified and Paediatric First Aid trained. The children will always return in time for usual pick up and will only need a packed lunch and appropriate clothing/shoes (If your child is booked in for a lunch time dinner provided by us, we will provide a packed lunch for them).

All children will have the opportunity to go out with prior consent over the coming months. Should you not wish for your child to go, they will remain at the Nursery/Pre-School with the other children as usual.

Please return the slip below by **Friday 20th September** so that we can start to organise our super fun trips!
