ACTION REQUIRED - Nut Allergy Alert

Dear Parents/Carers,

This letter is to remind all parents and carers that we operate a nut-free policy within our pre-school. We have children that have severe food allergies to nuts. It is important that there is strict avoidance of this food in order to prevent a life-threatening allergic reaction.

We are asking for your help to ensure we have a safe pre-school environment for all children within our care. Any exposure to nuts may cause a life-threatening allergic reaction that will require emergency medical treatment. To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to pre-school with your child that will be eaten on the premises, this also includes birthday treats & cakes.

We thank you in advance for your understanding and cooperation. We would be grateful if you could sign and return the below slip to acknowledge that you have received and read this letter.

Kind Regards

Mrs Leanne Jones

Director of Pre-School Operations
