Dear Parents/Carers,

5th March 2018

A few reminders....

1. **Items Required** - On our journey from winter into spring, all children should bring the following for every session
 - Wellies
 - Warm waterproof jacket
 - Hat, scarf & gloves
 - A full change of clothes
 - Nappies, cream, nappy sacks & wipes (if not toilet trained)
2. **Named Belongings** - Please ensure **ALL** belongings are named
3. **Packed Lunches** - items such as grapes, tomatoes and sausages are cut up to avoid choking hazards. Staff are happy to advise on best practice.
4. **Teddy Travels** – Every year we are looking to make a special teddy, for Teddy Travels. It will be made up from items of clothing (one item per child) donated by the parents of each child (participation optional). During the year Teddy goes home with different children and enjoys your family adventures. At the end of the year Teddy will retire to our hall of fame along with its well travelled passport.

Please hand in your donated & named item by end of school on 16th March

5. **Pictures from home** - For our children's 'All about me' books, could we kindly request that you email us up to 10 photos of your child's favourite things. (Admin@discoverypreschool.co.uk)

This could be a picture of their bedroom, their dog or rabbit, their grandparents/brothers or sisters and other family members. It could be pictures of their favourite park or beach, literally anything that they will recognise and means something to them, as we'll continue to make a story in pictures during Spring Term.

6. **15/30hrs Funding** – For those parents who receive funding and are not utilising the full quota of hours. We recommend that once your child has settled in, you bring your child to pre-school for your full allocation of hours so they can take full advantage of all the learning opportunities available to them.

New Request/Info

Bring a book from home – From 6/3 until 16/3 let your little one/s bring in their favourite book/s from home for us to read to the class during reading time. Again, please ensure all items are named.

We're going cashless – From 1/4/18 we're going fully cashless for all payments including uniform. Please pay cash or bank transfer prior to 1/4/18 for any outstanding payments. All future additional fees will be invoiced monthly.

Thank you all in advance for your kind help and support in making our Pre-School amazing for your little ones!

Kind Regards

Mark & Leanne
